Who is a God like you,  
who pardons sin  
and forgives the transgression  
of the remnant of his inheritance?  
You do not stay angry forever  
but delight to show mercy.  
(Micah 7:18)

Micah (prophesying in the countryside while Isaiah was in the Royal Court), through a series of oracles abruptly moving from judgment to blessing, declared, with intricate wordplays and creativity, that even though Judah will go into captivity in Babylon for not living under the covenant, they will be brought back under a Shepherd-King, as a forgiven remnant, into a kingdom displaying God's prevailing purpose and faithfulness in order to encourage the righteous remnant to continue to live righteously.
